1. The Power 200 service plan is only available through the new HughesNet satellite. Approximately 1% will not be able to receive the Power 200 plan.
  2. Based on an analysis of customer usage data, Hughes has established a download allowance for each of the HughesNet service plans that is well above the typical usage rates. Subscribers who exceed that threshold will experience reduced download speeds for approximately 24 hours. During this recovery period, the HughesNet service may still be used, but speeds will be slower.
  3. Express Repair–Basic includes 2nd business day contact, 8am–5pm Eastern Time, Monday through Friday. \$29.95 per onsite repair incident in addition to monthly fee.
  4. Express Repair–Premium includes next business day coverage, 8am–5pm Eastern Time, Monday through Friday. \$29.95 per onsite repair incident in addition to monthly fee.
